

In order to be considered into the “National club” rankings, there are certain criteria that USClubrankings specifically follows. The first criteria is that the club must have at least 3 teams in different age groups ranked in the top 100 of the National rankings, in order to be considered. We then take the top team in each individual age division from your National ranking and put a point total to it based on that teams rank.

National Rank: for your clubs highest ranked team:

- 1st - 100pts
- 2nd - 99pts
- 3rd – 98pts
- 4th – 97pts
- 5th – 96pts

We then multiply the point total by a weighted percent pre-established based on the varying importance of each age division (Ex: older age groups are weighed more heavily based on college recruitments, coach strength, etc).

- 14’s are waited 10%
- 15’s are waited 15%
- 16’s are waited 25%
- 17’s are waited 25%
- 18’s are waited 25%

We add your points from 14’s to 18’s for your total score.
